## Dust Off Products

New environmentally safe Dust Off Plus. Contains no chlorofluorocarbons and provides more pressure than the previous Dust Off and Dust Off II. Dust Off Plus is available in both standard 12 oz. cans with a new 360 degree vector valve and a disposable 15 oz. can. Great for cleaning cameras, printers, microfiche readers – anywhere there is unwanted dust.

**Dust Off XL**  
 DP-XL 15 oz. Disposable  
 Includes 2 extension tubes.

**Dust Off Plus**  
 DP – 12 oz. can vector nozzle.  
 DPR – 12 oz. refill for Dust Off Plus.
